BAY-DELTA
PROGRAM

AUG 26 1999

Public Comment

Date Aug 26, 1999

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

I strongly support the conservation
point of view - taxpayers must not
subsidize more dams, reservoirs or ^{canals} ~~canals~~
until other environmentally healthy
options have been considered. The most
important issue to my family and future
generations is making fresh water flow
throughout this incredible area available for
all forms of life - do not
export our fresh water

Name: Cynthia Johnson

Organization: WH Social Action Commitee

Address: home - 764 Coventry Rd

Kensington CA 947071464
